## SMALL GROUP STUDY GUIDE

This study guide is meant to be used as a simple, three-step tool to help your small group dive deeper into God's Word, nurture conversation, and draw your group nearer to Christ. As a leader, begin your group in prayer by asking the Holy Spirit to lead your discussion.

1. As a scientist, Josef continuously seeks after knowledge. What do you find yourself seeking after most in your life right now?

2. Verse 13 says that if you seek God, He will give you Himself. How is this promise better than what you often seek first in life?

3. Even before you sought after God, He sought after you. How does the life, death, and resurrection of Jesus prove God's pursuit of you?

4. How does knowing God sought you first motivate your heart to seek Him in your daily life? What would that look like practically?
